

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality so as to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like providing items that energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs along with their comprehension of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both parts and in technical support will be accessible. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment ready and working day after day is top priority. The company's top of the line technology delivers reliable machine that eventually lessens your cost of cleaning. The product, the price and the service all work together to make them an industry leader.
