

American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are recognized in the industry as providing strong and durable equipment that suits the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln can provide warranty service, machinery and parts for these types of scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results make a difference. Recently, this floor scrubber model has been requested by the architects in new construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on location due to the model's high standard of quality and supreme performance level for polishing concrete.
